

2014 Confirmed Volleyball Schedule

Sunday, January 26th, 8pm: Mandatory Coaches First Meeting

Coaches need to attend to this meeting with their proposed rosters and important “No Availability Dates”. Playoff and tournament dates will be confirmed and decided at this first meeting and will not be changed.

Tuesday, February 11th, 8pm: Mandatory Coaches Scheduling Meeting at Our Lady of Mt. Carmel

At this meeting, all coaches should be present with their schools calendar. Every team will be given a copy of the latest NCAA rule book, the Youth Volleyball League modified rules, the modified non-deciding and deciding game score sheets, the Libero tracking sheet and the lineup sheet. If needed, a class will be offered at a later date to teach coaches/assistants how to keep score using these sheets. **NOTE:** Directions on how to fill the score and tracking sheets are contained in the NCAA rule book.

Date/Time TBD: “Official Scoring and Coach’s Etiquette Class”

At this class, the Board Of Directors will teach everyone how to officially keep score using the “Non-Deciding Game” and “Deciding Game” sheets, as well as how to use the “Lineup” and “Libero Tracking” sheets. In addition, the coaches will be instructed about proper coaching etiquettes, such as ‘how to line up girls’, ‘how to sub girls’, ‘how to switch sides’, ‘how to ask for a line-up/score-check’, etc. Any coaches, assistants or scorers are encouraged to attend this class. Although this class is optional, it is highly recommended

Sunday, February 24th: Registration Fee and Document Deadline

The league should already have received in-hand each team’s roster, CCD letters, registration fee and coach’s code of conduct by this date. Paperwork and fees will be accepted at the meeting on February 24th. Failure to hand in any and all fees and paperwork will result in the penalties mentioned in the rule and regulations.

March 1st: Season Opens – First Day Of Games

Friday, May 2nd: All Star & Serving Derby Nominations Due

Saturday, May 17th: Season Ends - Last Day Of Games

Morning Of Sunday, May 18th: Tie-Breaker/Make-up Games – This rarely happens

Tie-Breaker Games: Tie-breaker games will only be needed if all other attempts (as listed on the website) to break the tie fail. If, however, they do need to be played, then all teams needing to break a tie must be present and must play the game. If a team forfeits a tie-breaker game, then they will un-eligible for playoffs and will also forfeit playoffs.

Make Up Games: If an unforeseen, unavoidable event (such as harsh weather conditions) causes a game to be cancelled and the team cannot agree upon a re-schedule date, the make up games need to be played. All teams needing to make up a game must be present and must play the game. If a team forfeits a make up game, then they will un-eligible for playoffs and will also forfeit playoffs.
