

2015 Confirmed Volleyball Schedule

Thursday, February 12th, 7:30pm: Mandatory Coaches First Meeting

Coaches need to attend to this conference call meeting with their schools calendar and their “No Availability Dates”. Playoff and tournament dates will be confirmed and decided at this first meeting and will not be changed.

Tuesday, February 24th, 8:30pm: Mandatory Coaches Scheduling Meeting at Transfiguration, Tarrytown

At this meeting, all coaches should be present with their schools calendar. Every team will be given a copy of the latest NCAA rule book and a bill for the league registration fees.

February 28th: Registration Fee and Document Deadline

The league must have each team’s roster, CCD letters, registration fee and coach’s code of conduct by this date. Failure to hand in any and all fees and paperwork will result in the penalties mentioned in the rule and regulations.

March 1st: Season Opens – First Day Of Games

Friday, May 2nd: All Star & Serving Derby Nominations Due

Saturday, May 16th: Season Ends - Last Day Of Games

Morning Of Sunday, May 17th: Tie-Breaker/Make-up Games – This rarely happens

Tie-Breaker Games: Tie-breaker games will only be needed if all other attempts (as listed on the website) to break the tie fail. If, however, they do need to be played, then all teams needing to break a tie must be present and must play the game. If a team forfeits a tie-breaker game, then they will un-eligible for playoffs and will also forfeit playoffs.

Make Up Games: If an unforeseen, unavoidable event (such as harsh weather conditions) causes a game to be cancelled and the team cannot agree upon a re-schedule date, the make up games need to be played. All teams needing to make up a game must be present and must play the game. If a team forfeits a make up game, then they will un-eligible for playoffs and will also forfeit playoffs.

Sunday, May 17th: Division Champs Awards Ceremony, 7pm

Many times in the past the division champs get knocked out in the playoffs and don’t make it to the tournament – never being acknowledged by the league for their accomplishment. This awards ceremony is for the JV and Varsity Division Champs (players to come in team uniforms and any spectators welcomed – admission is free) to receive their trophies. Place to be determined.
