At this meeting, all coaches should be present with their schools calendar. Every team will be given a copy of the latest NCAA rule book and a bill for the league registration fees.

February 29th: Registration Fee and Document Deadline

The league must have each team’s roster, CCD letters, registration fee and coach’s code of conduct by this date. Failure to hand in any and all fees and paperwork will result in the penalties mentioned in the rule and regulations.

March 1st: Season Opens – First Day Of Games

May 1st: All Star & Serving Derby Nominations Due

Friday, May 20th: Season Ends - Last Day Of Games

Morning Of Saturday, May 21st: Tie-Breaker/Make-up Games – This rarely happens

Tie-Breaker Games: Tie-breaker games will only be needed if all other attempts (as listed on the website) to break the tie fail. If, however, they do need to be played, then all teams needing to break a tie must be present and must play the game. If a team forfeits a tie-breaker game, then they will un-eligible for playoffs and will also forfeit playoffs.

Make Up Games: If an unforeseen, unavoidable event (such as harsh weather conditions) causes a game to be cancelled and the team cannot agree upon a re-schedule date, the make up games need to be played. All teams needing to make up a game must be present and must play the game. If a team forfeits a make up game, then they will un-eligible for playoffs and will also forfeit playoffs.

Sunday, May 22nd: Division Champs Awards Ceremony, 7pm
